

Hmong Language & Cultural Enrichment Program

Dear HLCEP Families,

This year we are very enthusiastic about continuing our character development program called "Bucket Filling."

Bucket filling is an easy-to-understand concept: *Everyone carries an invisible bucket that holds our good thoughts and feelings. When our buckets are full, we feel happy. When our buckets are empty, we feel sad. Occasionally, we may need to cover our bucket with a lid to keep others from dipping into it.*

Our students will quickly learn that they can fill buckets, including their own, when they do and say things that are kind, considerate, caring, and respectful. They will also learn that when they are inconsiderate or disrespectful, they dip into buckets and remove those good feelings from others.

Every Friday, the teachers will be selecting "Bucket Fillers of the Week," who will be presented with a certificate and be featured in our weekly newsletter. The criteria for the selection process include:

- Students who demonstrate a positive attitude and behavior at all times.
- Students who put in their best effort and participation.
- Students who are respectful and helpful toward others.

We are looking forward to a wonderful and rewarding summer with your child as he/she grows both academically and socially.

Respectfully,

HLCEP Staff
